EXPERIENCE

Assistant Manager – Design | Stanza Living 2025 – Present

- Lead end-to-end brand design from concept through execution.
- Prepare space plans, presentation decks, GFC drawings, BOQs, and detailed design documentation.
- Coordinate with consultants, vendors, procurement, and execution teams to ensure timely delivery.
- Improve productivity by integrating **AI tools** for concept development, research, documentation, and presentation creation.
- Collaborate with cross-functional stakeholders to deliver high-quality design solutions aligned with business goals.

Interior Designer | 91Squarefeet 2023 – 2025

- Worked on workplace interiors for major corporate brands across India.
- Delivered workplace and commercial projects up to 49,770 sq.ft.
- Developed concept presentations, layouts, GFC drawings, BOQs, and construction documentation.
- Coordinated architects, consultants, vendors, and execution teams throughout the projects.
- Conducted site inspections and design reviews to maintain quality standards.
- Used AI-powered tools to accelerate design ideation, visual references, and client presentation preparation.

Selected Projects:

Google • Tata Play • Hero Future Energies • Systra • Cars24 • VLCC • Magnum Group • 91Springboard

Interior Designer | FurnishMe Architects 2022 – 2023

- Designed luxury residential interiors from concept to execution.
- Prepared detailed working drawings and GFC documentation.
- Conducted client presentations, material selection meetings, and vendor coordination.
- Managed multiple projects while ensuring timely delivery and design quality.
